

About the Organization

Universal Industries has been supplying their customers with quality products since 1949. *Universal Industries* offers a full line of oil and gas processing equipment supported by an experienced engineering, drafting, and design team. Their manufacturing staff is dedicated, well trained, and has a proven track record for quality workmanship.

As an operating entity of *Foremost Universal LP*, *Universal Industries* are a rapidly growing public company with \$200 million in annual sales and over 600 employees across Alberta. Although the focus is on the Alberta and Saskatchewan oilfield, they have done work all over the world including Venezuela, Cuba, Trinidad, the United States and Peru.

About Lloydminster

The City of Lloydminster has a unique geographical location where it straddles the provincial border of both Alberta and Saskatchewan. With a population of 26,502, Lloydminster is located midway between Saskatoon, Saskatchewan and Edmonton, Alberta, directly on the Yellowhead Highway. The City has been voted as one of the most desirable places to work in Alberta or Saskatchewan. MoneySense Magazine ranked Lloydminster as #1 Best Place to Live in Western Canada and #3 in Canada!

About the Opportunity

If you're dynamic 'go getter', committed to producing an outstanding level of work, *Universal Industries* is seeking a talented **Estimator** to join their growing team in Lloydminster.

Reporting to the Senior Estimator, the primary purpose of the role is **to analyze costs and prepare estimates on prospective mechanical construction projects.**

To be successful in this role, you will have graduated from an **engineering technology program** or have an equivalent combination of technical training and experience.

Having **several years experience with tanks, pressure vessels, and piping** will be a valuable asset. Ideally, you are proficient with Microsoft Office and are familiar with MS Projects.

As a reward for your hard work and dedication to the job, you will be rewarded with an **attractive remuneration package** depending on experience and qualifications and **be eligible for bonuses.**

In addition, *Universal Industries* employees receive excellent benefits including:

- Generous **medical, dental, and eyewear** plan;
- **Life, short and long term disability** insurance;
- Employee **accidental** death and dismemberment and specific loss;
- **Two weeks vacation**;
- A **friendly team culture** with a **Social Club** which provides monthly draws and events such as golf tournaments and lobster feasts; and
- Opportunities for **continued training** and **courses** are also supported and promoted on an individual basis.

Candidates must be authorized to work in Canada.
