

Casman Group of Companies

About the Organization

Casman Group of Companies is a local Fort McMurray, Alberta operation providing industrial, commercial and residential construction, HVAC, plumbing and electrical services, and millwork products to the Fort McMurray market. From excavation and foundations to project turnover, the *Casman Group of Companies* provides an extensive array of services across the broad spectrum of construction project scope and complexity. Incorporated in 1982, the company now includes six operating divisions with expertise in residential and commercial general contracting, plumbing, electrical and millwork, as well as industrial construction, maintenance and specialized concrete foundations.

About Fort McMurray

Fort McMurray is in the Regional Municipality of Wood Buffalo (RMWB), stretching from north central Alberta to the borders of Saskatchewan and the Northwest Territories, and is among the largest municipalities in North American ranks by area encompassing 68,454 square kilometres. Fort McMurray is the largest city in the Municipality with a population of over 80,000. Best known for its association with the oil sands industry, Fort McMurray is considered to be the heart of one of Canada's major oil production hubs.

A division of the *Casman Group of Companies*, *RCI Electrical Service Ltd.* is looking to hire an experienced **General Manager** to lead their team.

The successful candidate will play a vital part in the organization by **being responsible for managing the growing activities of an electrical construction company** offering residential, commercial, and industrial services in and around Fort McMurray.

To be successful in this role, you will be a **Master Electrician** with experience in **residential or industrial** multi-project supervision, or have a combination of training, education, and experience.

Ideally, you will have knowledge of building codes, possess the ability to read and understand blueprints, and be able to interpret construction drawings and documents.

About the Benefits

The successful candidate will be rewarded with an **excellent remuneration around \$150,000+**, dependent on experience.

In addition, the *Casman Group of Companies* employees enjoy a wide range of excellent **benefits**, including...

- Generous **medical, dental, and vision** plan;
- **Life and disability** insurance;
- Long Service **Bonus of \$1,000 per year** of service, paid annually;
- 9.6% **vacation pay** on each cheque;
- Additional **bonuses** are available based on performance;
- Employee **education assistance** as furthering education is supported; and
- A **friendly and dynamic team culture**, with various Corporate **Social Events** twice a year;

Candidates must be authorized to work in Canada. Deadline for Applications is April 8, 2010.
